Heal the World

[Michael Jackson](#)

There's a place in your

And I know that it is

And this place could be much

Brighter than

And if you really try

You'll find there's no need to

In this place you'll feel

There's no hurt or

There are ways to get there

If you care enough for the living

Make a little space

Make a better

Heal the

Make it a better place

For you and for me

And the entire human race

There are people dying  
If you care enough for the living  
Make it a better place  
For you and  
If you want to know why  
There's love that cannot lie  
Love is   
It only cares of joyful giving  
If we try we shall see  
In this bliss we cannot   
Fear of dread  
We stop existing and start living  
The it feels that always  
Love's enough for us   
So make a better world...
