

4 Fill in this table with information from the classified ads in activity 3. If you can't find the information, write **not mentioned**.

Property	Type	Where	Bedrooms	Other rooms	Price
1				not mentioned	
2		near Georgetown			\$ 1,585
3					\$ 55,500
4		Capitol Hill condo at Potomac Avenue			

5 Which house or apartment in the ads would be better for each of these people? Write the corresponding number.

- a) () Susan is looking for a place to rent. She lives with her husband, two kids and a dog. She doesn't have a car, so the place must be accessible.
- b) () Robert is looking for a place to buy. He lives alone and doesn't like going out very much. He loves staying home and painting. He can't stand noisy places.
- c) () The Dawsons are looking for a place to rent. They had problems with their last neighbors, so they are looking for a nice and calm place to live.
- d) () Nancy lives alone. She wants to rent an apartment but she can't spend much. She doesn't have a car and takes the subway to go to work.

6 Create a classified ad to sell your home. Follow the examples on page 20 and check page 22 for more vocabulary. Make it as attractive as you can!
